

BUILDING A BETTER COMMUNITY

At PERC, our goal is to empower independent practice owners and enhance their success by fostering a strong and connected community.

MEMBER STUDY GROUPS

Thoughtfully comprised groups of colleagues harnessing their collective wisdom and experiences, while leveraging tools and resources to help their practices win.

VIRTUAL LEARNING EVENTS

Regularly scheduled CE offerings and one-hour lunchtime virtual education presentations for doctors and staff led by industry leaders and experts

ELEVATE NATIONAL CONFERENCE

An annual conference offering practice management curriculum, continuing education, and the opportunity to interact with peers and gain insights for practice growth

MEMBER EVENTS

We believe that the exchange of information and experiences among peers is key to achieving this goal. By coming together and sharing our challenges, insights, and best practices, we can help each other grow and thrive in today's competitive landscape.

For more details on all PERC member events visit www.percalliance.com/events by scanning the QR code or contact your account manager.
