

Cincinnati Museum Center is your partner in learning. We provide a wealth of in-person and virtual programming supporting instruction and enlivening classrooms.

Inspire students with field trips to Cincinnati Museum Center

Inspire students with in-person field trips to explore the Children's Museum, Cincinnati History Museum and Museum of Natural History & Science.

Enhance your curriculum with our engaging classroom programs

Schedule a classroom program as a Program at Union Terminal during a field trip or bring our Programs-on-Wheels to your location! Host us indoors or outside. Virtual Programs are also available. Schedule early as classroom programs sell out quickly!

Bring engaging experiences to your school virtually

Our pre-recorded Virtual Field Trips invite students and educators to explore our galleries at their own pace from school through immersive media, inside stories from friendly experts and interactive resources.

<https://www.cincymuseum.org/virtual-field-trips/>

Invite a science or history curator virtually to your classroom through Conversations with an Expert. Connect with experts in zoology, paleontology and more. Discover their backgrounds, research and view fascinating collection objects.

Schedule early childhood professional development workshops

Our ECSITE (*Early Childhood Science Inquiry Teacher Education*) program helps early childhood educators become more confident leading science experiences in their classrooms. Choose from five Kentucky Approved Early Care and Education Trainings.
