

Begin Your Journey to IT Modernization

1

Determine technology options and plan for each step along the way

2

Outline the project timeline goals for each milestone to keep the project moving forward

3

Review the budget for funding needs and plan for unexpected costs

4

Plan regular reviews of timeline progress and gauge if milestone targets are being met

5

Communicate the project progress to the entire organization. Champion your work along the way!

Aktion Associates Inc., is a national software reseller and IT system integrator focused on the Construction, Distribution and Manufacturing industries.
