ABOUT NEF

With a decades-long track record of success in affordable LIHTC multi-family rental housing syndication, our partners consistently value our reliability, persistence and ingenuity. Our investor relations team expertly matches investors and developers to ensure a shared vision, and NEF's originations and asset management professionals work closely with partners to not only structure and close on project investments, but also to deliver technical assistance to establish the financial and operational success of projects. From pre-development to acquisition to asset management and dispositions, NEF focuses on **proactive portfolio oversight**, setting the highest standards of due diligence and compliance for the life of each investment.

BEYOND LIHTC

NEF offers collaborative, innovative **financial solutions** to help bridge the affordable housing gap by offering diverse products that align with our mission. From our strong history of LIHTC syndication to our **innovative** approach to preservation equity and pre-development lending, our team of experts is ready to help investors and developers accomplish their missions and goals.
