NEW!

THE ACHESON GROUP

TAG Training Platform

Your gateway to food safety education

The Training Platform provides:

- **LMS Courses.** Asynchronous food safety learning
  - 101 basic courses for workers
  - 201+ courses for more in-depth learning
- **Flashcards.** Sets of color cards focused on a specific topics (e.g., allergens, bacteria) in a sturdy logoed box.
- **"Take 6" Points of Food Safety.** Printed or downloadable topical training sheets for food safety meetings or signage.
- **Custom Course Offerings.** A lengthy list of topics on which our expert instructors can speak or train.
- **Event/Webinar Links.** Links to regular TAG events and webinars on a range of topics.
- **Overview of all TAG has to offer.** *Connect with us!*

Why TAG

The TAG team's decade of experience working with food businesses throughout the supply chain gives us a unique perspective on best industry practices to train your workers and protect your products, customers, and brand.

We understand your business and what it takes to be successful.
