THE ACHESON GROUP

Is your

Food Safety Culture "Best in Class"?

TAG's *exclusive* FSC Assessment:

- Is both qualitative and quantitative
- Is based on the 5 GFSI dimensions
- Focuses on interviews & onsite observation
- Assesses your Level of Maturity
- Includes industry benchmarking
- Identifies strengths and opportunities
- Provides recommendations for ongoing, sustainable success

Why TAG

TAG works with hundreds of companies across the supply chain, giving us a unique perspective of what works - and what doesn't - in all areas of food safety risk: operational, regulatory, and reputational.

We have the expertise to assess and advise on best-in-class practices to controlling food safety and intentional adulteration risks.

We understand your business and what it takes to be successful.
