It is the policy of Region 10 Education Service Center not to discriminate on the basis of race, color, national origin, gender, or handicap in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 503 and 504 of the Rehabilitation Act of 1973, as amended. Region 10 Education Service Center will take steps to ensure that lack of English language skills will not be a barrier to admission and participation in all educational programs and services

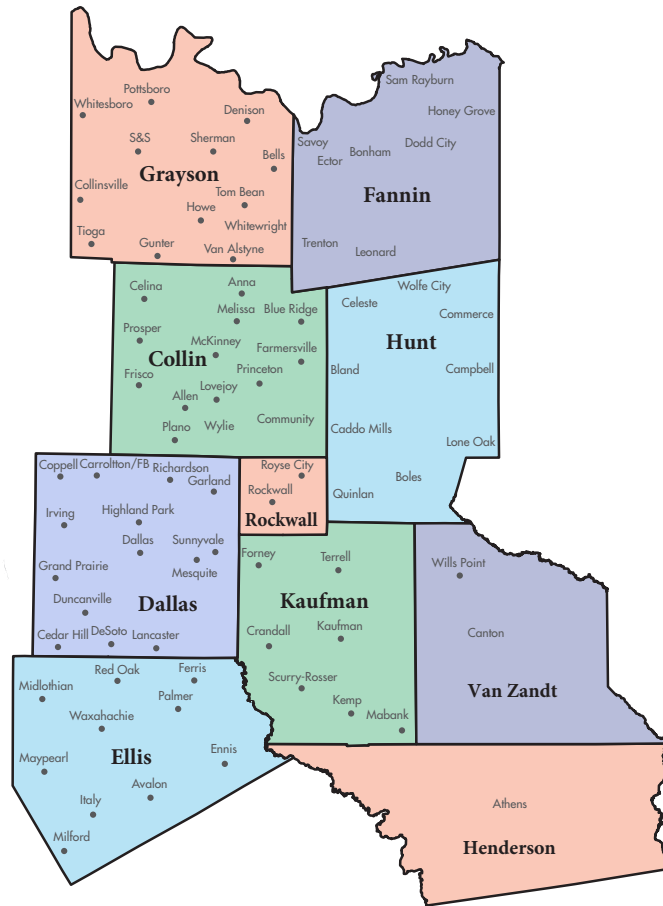

Special Education

Special needs require special attention...

So the Special Education Service of Region 10 Education Service Center makes a very special effort to improve outcomes for children and youth with disabilities from birth through the 21st birthday. An important part of that effort includes providing leadership training and professional development, along with technical assistance for educators, parents and community support staff, who help us meet the many needs of children with disabilities.

We cover a lot of territory.

Region 10 ESC considers it a very special privilege to serve as the first point of contact for school districts and charter schools in maintaining compliance with the Texas Education Code and with the Individuals with Disabilities Education Act (IDEA). It is our fervent hope that you will make this information available to anyone who could benefit from it.
