Over 15,000 made-to-order Capri frames combined with Plano lens options, the perfect pair for any light condition, utilizing NiLON® lenses by Lift™. Their lightweight, crystal-like clarity is evident the moment you try them on.

Mirror lenses coated with a backside HD Anti Reflective.

Our non-mirror lens options contain both back and frontside HD Anti Reflective coating. All lenses have anti-scratch, hydrophobic & oleophobic coatings resulting in a surface that is smudge and dust-resistant yet easy to clean.

Quality, performance, and affordable price. A REAL value in today's competitive market.

100% UVA,UVB and UVC Protection.
