

SUPPORTIVE HOUSING

National Equity Fund, Inc. (NEF) is a leading non-profit, multi-family, affordable, real estate investment manager with a mission to create and deliver innovative, collaborative financial solutions to expand the creation and preservation of affordable housing.

Through its Low-Income Housing Tax Credit (LIHTC) syndication, lending, and investing platforms, NEF generates opportunities rooted in its vision that all individuals and families across the country have access to stable, safe, and affordable homes.

ABOUT SUPPORTIVE HOUSING

National Equity Fund understands that affordable housing that includes supportive services for individuals and families facing complex challenges has proven to be the most effective and efficient means of improving mental and physical health. It enhances opportunities for employment, helping people live with stability, self-sufficiency and dignity.

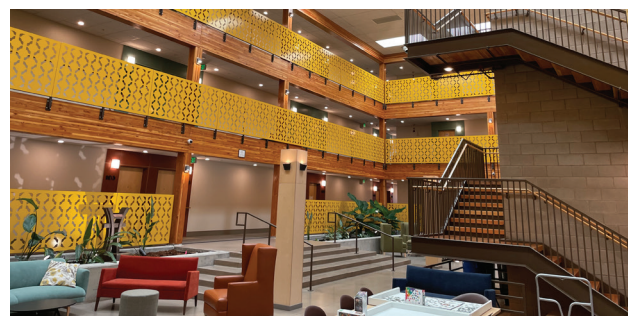

Our supportive housing professionals are experts in the planning and operation that goes into these developments. They are knowledgeable about government programs and are experienced advocates for persons most at risk.

We recognize that there's a rising population of those who need these critical social services, which is why we invest in projects that impact a wide-range of people including:
