FEATURES

Deluxe 2.0 styling with a modern, sleek look.
Mic loops are positioned at the shoulder seams for convenient access.
Elasticated back waist for a snug and comfortable fit.
Dual chest pockets equipped with snap-close flaps and back patch pockets for secure storage.
A pencil pocket on the left arm and a pencil stall on the left chest pocket for quick access to your essentials.
High strength sewing with durable Nomex [®] thread for increased lifespan.
Brass zippers reinforced with Nomex [®] tape for added resilience.
Covered snaps offer superior electric-arc protection.

The Tecasafe[®] One Inherent fabric provides exceptional moisture management, maintaining an optimal CAT 2 rating with an Arc Thermal Performance Value (ATPV) of 8.2 cal/cm². Designed for industrial-level durability, these coveralls retain their vibrant color even after numerous washes.
