San Antonio Post

Thank You for Attending

Welcome to San Antonio

You will receive great information while supporting STEM programs

- Scholarships for students attending Texas colleges/universities that major in STEM programs
- Funding professional development and career advancement programs/certifications for SAME members
- Sending high school students to SAME-sponsored Engineering & Construction Camps
- Sponsoring/participating in STEM-related initiatives for middle and high school students
- Supporting Young Member/NCO/Board of Direction Members participation in SAME-sponsored conferences

The Real Purpose We're All Here...

It's Been Long Overdue...

Intervention for Brother Steve Houser!!!
This Is Gonna Take A While...

Steve before all the make-up...

Important to Revisit Some Old
Adages...
To Set The Right Tone for Another
Amazing SBMRF!!!

Starting With... Foam Happens!!!

Followed By...

LARP'ing May Raise Some Q's...

And Then...
Don't Sweat the Small Stuff...

Of Course...

When You're In A Hole, Stop Digging!!!

And Finally...
Gotta Have More Cowbell!!!

Thank You Speakers

Could not do this without you!

San Antonio Post President

Zakary Payne, PE

Zakary is a Vice President and Co-Director of Government Consulting Services for Matrix Design Group. He joined the firm in October 2018 and has been instrumental in growing their federal practice, specifically in installation support, facility and infrastructure asset management, process improvement, and strategic planning. Prior to joining Matrix, Zakary spent over a decade as an Air Force Civil Engineer both in uniform and out as a DoD civilian. During his time with the Air Force, Zakary served in multiple base level assignments including McGuire AFB, Randolph AFB, Schriever SFB, and Misawa AB, Japan. Zakary also spent four years at the Air Force Civil Engineer Center where he was pivotal in creating the CTO and Checkbook – both of which are still used today to manage the annual AFCAMP process. Zakary is a registered Professional Engineer in Texas, Florida, and Colorado. He has been a member of SAME since 2009 and was a graduate of the National Leader Development Program.
