Snowmobile Excursions - <http://www.coadventures.com/>

Our customized snowmobile trips led by our professional guides, are definitely something to write home about. Our trips are NOT a 10 mile an hour trail ride (unless that's what you are after). We limit our tours to six machines per guide to give you a custom ride. Our small groups allow for us to customize the trip just for your group. We stop at several snow play areas for you to experience all the freedom and exhilaration you can handle. Let our guides take you to all the SWEET SPOTS for the best views and play areas. More than six machines in your group? No problem, we'll just put another guide with you.
