

Get Started Today

Participating in the retirement plan and periodic check-ins to your account are key to building a confident retirement. OneAmerica® is here to help you with convenient ways to access your account and tools to help you reach your retirement goals.

Online

If you haven't registered your account:

- Go to **oaretirement.com**
- Click "Login" and then under "New User?" click "Register for a new account"
- Complete the step-by-step process

If you aren't yet participating in the plan, you will be directed to an enrollment wizard that will walk you through the process. You will be provided with a selection of options, each providing

varying degrees of involvement in determining your contribution rate, investment elections and engagement with available resources. Choose the option that best fits your preferences.

Once enrolled, log in to view your balance, investments, contributions and other plan information. You can set retirement goals and visually track your progress toward reaching them. You also have access to tools and resources focused on a variety of financial wellness, retirement and investment-related topics designed to help you become more financially confident.

Using the OneAmerica® app

You can manage your account anytime, anywhere using the OneAmerica app.

- Download the OneAmerica mobile app from the App Store or Google Play.
- If you've not yet registered your account via the app or the website, select "Register" and follow the system prompts to complete the registration and, if applicable, enrollment process.

- Once registration/enrollment is complete, access the app to check your balance and manage your investments and contributions.

Assistance over the phone

You also have the option to speak directly with a Participant Service Representative by calling **800-858-3829**.

English- and Spanish-speaking representatives are available to help you enroll in the plan, manage your account, and answer any additional questions you may have.

Consolidating retirement accounts

If you have a retirement account outside the plan or with a prior employer, you may be able to roll over or transfer an existing IRA or qualified retirement plan account to your current plan, if allowed by your plan. Consolidating retirement accounts may provide you more convenient account management. If interested, access your account at **oaretirement.com** to obtain a rollover form, or call **800-858-3829** for assistance initiating a rollover or transfer.

Take a step toward your retirement goals by visiting **oaretirement.com** or downloading the OneAmerica mobile app today.

Note: OneAmerica® is the marketing name for the companies of OneAmerica. Administrative and recordkeeping services provided by OneAmerica Retirement Services LLC, a OneAmerica Company, which is not a broker/dealer or investment advisor. Provided content is for overview and informational purposes only and is not intended and should not be relied upon as individualized tax, legal, fiduciary, or investment advice. • Investing involves risk including potential loss of principal. • Prior to rolling over any plan assets to an IRA, an individual should carefully consider various factors such as investment options, fees and expenses, services, penalty-free withdrawals, protection from creditors and legal judgments, required minimum distributions, and employer stocks depending on individual needs and circumstances. • **Mutual Funds are sold by prospectus. To obtain a copy of the prospectus, the participant should contact the plan's investment advisor or the mutual fund company directly. Before investing, carefully consider the fund's investment objectives, risks, charges, and expenses. The underlying fund prospectuses contain this and other important information. Read the prospectuses carefully before investing.**
