

## MARTA from ATL Airport to the Courtland Grand Downtown:

1. Follow the signs to meet your travel group near the **South** baggage claim at the ATL airport for MARTA. Make note that there is **not** a MARTA station at the **North** baggage claim

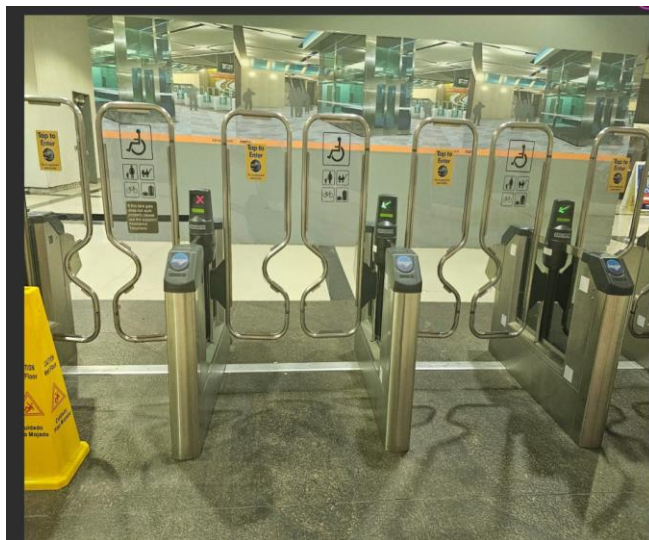

2. There are 2 ways to purchase a Breeze ticket to ride MARTA:
  - A. We recommend downloading the Breeze 2.0 mobile app on [Apple](#) or [Android](#). You can purchase one or more tickets at a time on your phone with or without creating an account. Each ride on MARTA is \$2.50, regardless of distance. A round trip requires 2 tickets and would be \$5.00.

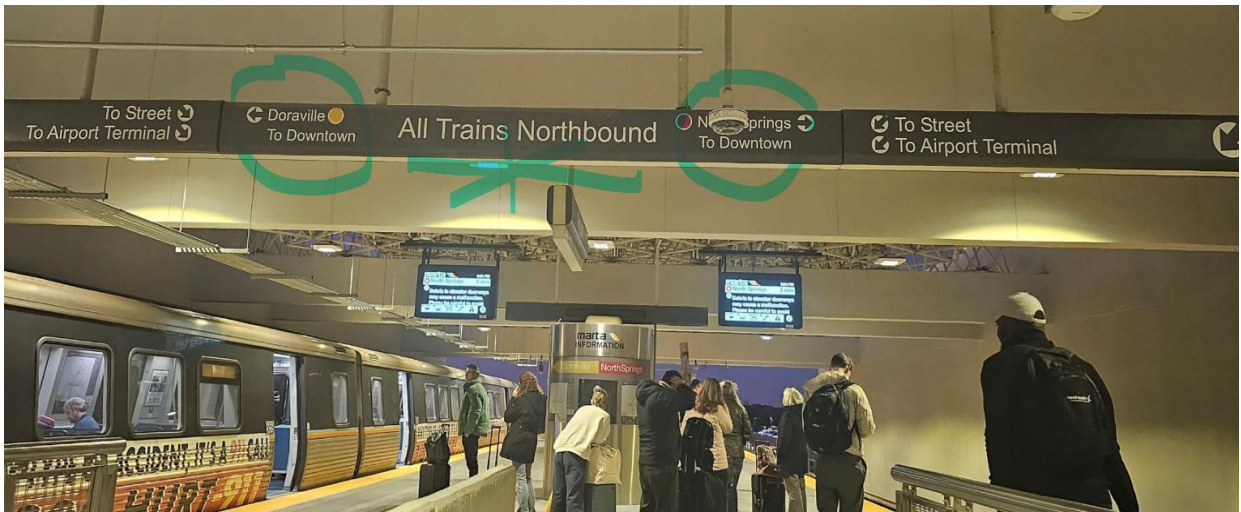

- B. You can also use one of the machines onsite to purchase a Breeze card. The card costs \$1, and a roundtrip on MARTA is \$5.00, for a total of \$6.00. Save your ticket for the ride back.

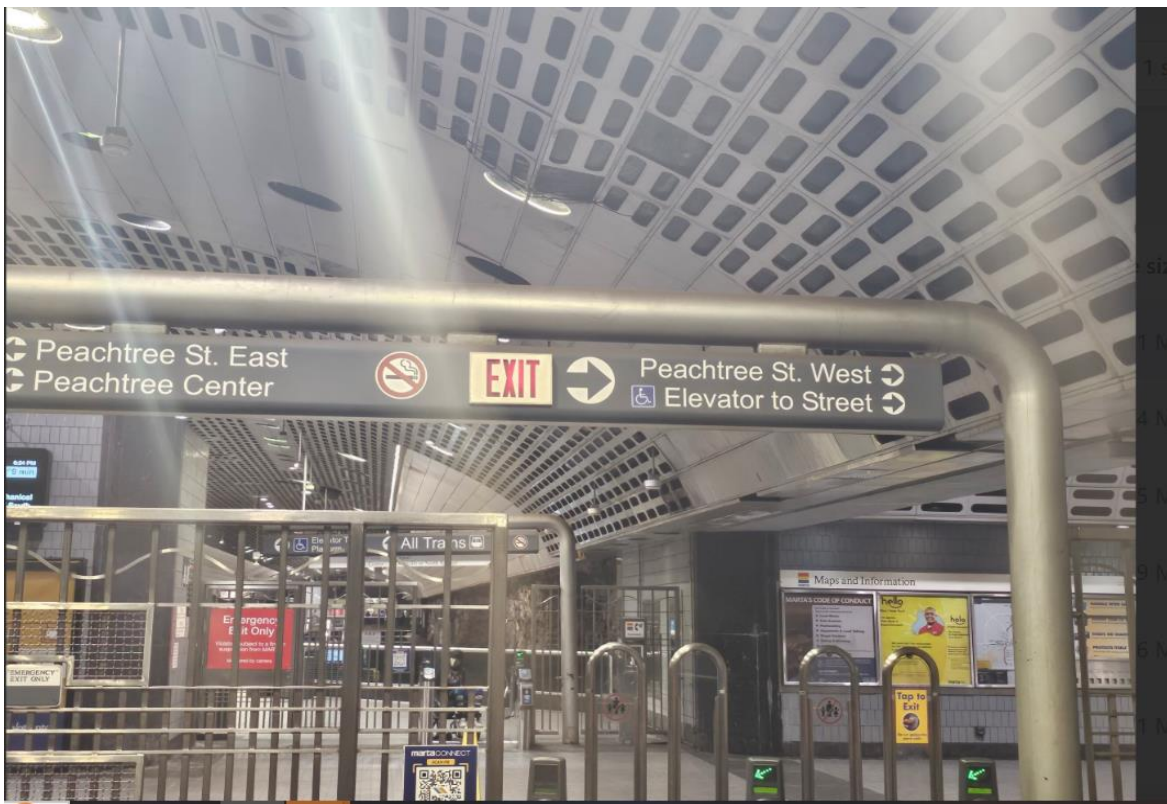

3. Once you have your printed ticket or app ticket, use it go through the gates to the train platform

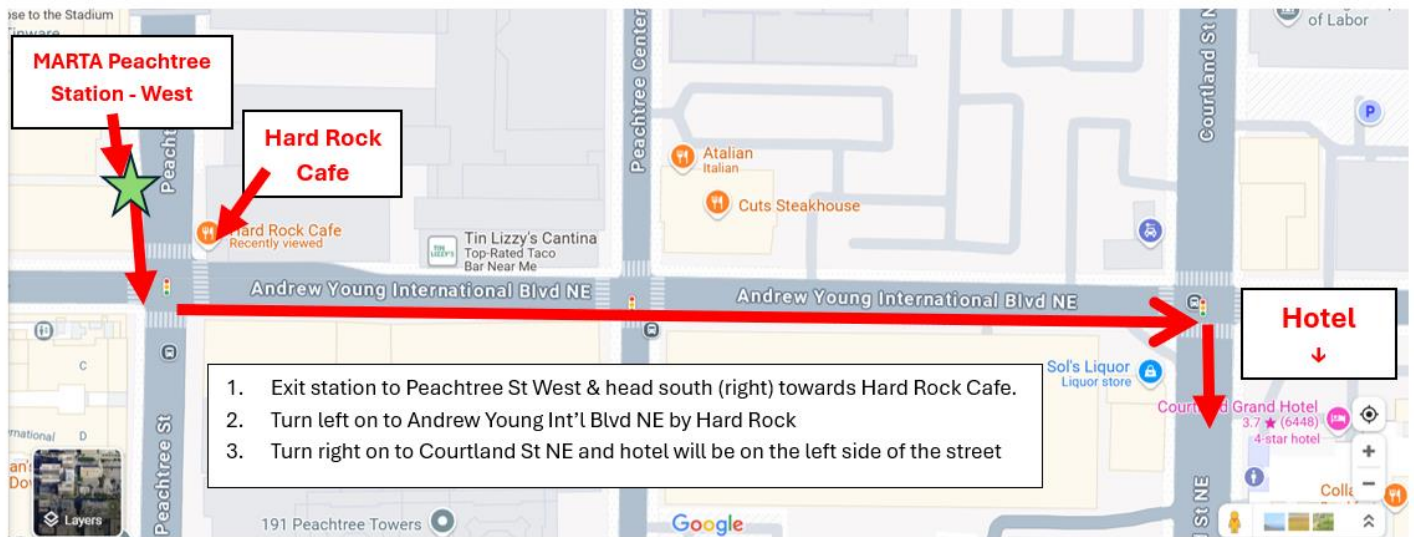

4. Board the train at the airport. The airport is the southernmost point of the line. You can take either the **Gold train** North towards Doraville Station **or Red train** North towards North Springs Station. (See map on last page).

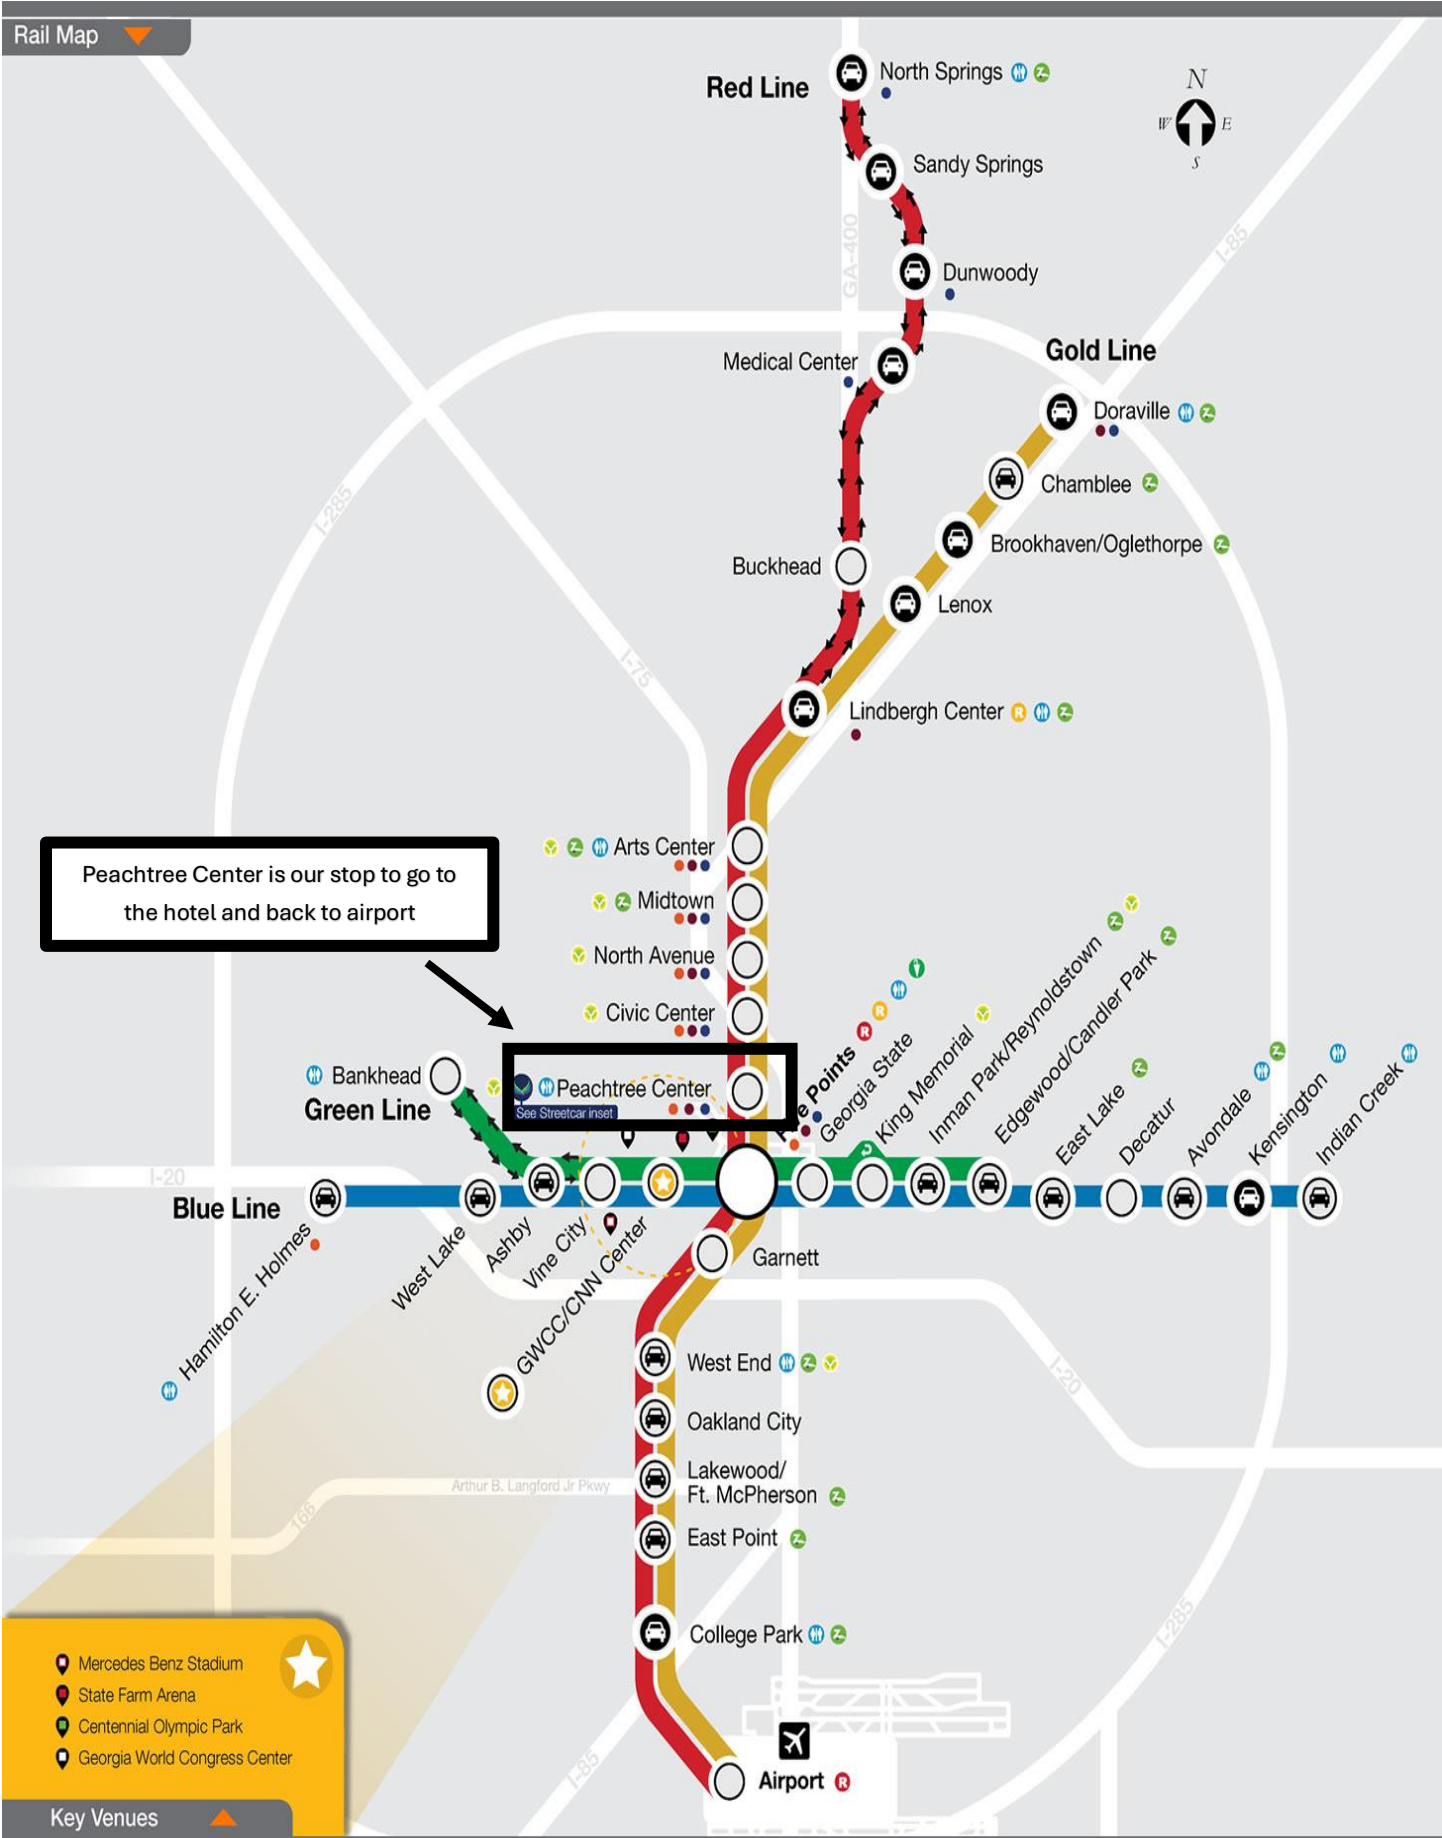

5. On either train, it will take eight stops to reach [Peachtree Center Metro Station](#). This is where you exit the train. Follow the signs to the street level for Peachtree Street West.

6. From there, head towards the Hard Rock Café. The hotel is about 0.3 miles, this is about a six minute walk.
7. Otherwise, if there is bad weather, you have multiple bags, or other reasons, we will have a mini van that can shuttle you from the street at Peachtree station to the hotel. To make arrangements, please text Brett Reineck at – **714-697-8048** as your party departs the airport on the train.
8. From the time you get your bag until you arrive at the hotel, it should take +/- 45 minutes. Taking an Uber, at your own expense, will take well over an hour.
9. See map below for walking instructions from Peachtree Station West to the Courtland Grand.
