

"Peace of Mind Through Holistic Solutions"

Foresight Security Consulting

Bryan Flannery: Principal Consultant, Lead Instructor

Bryan Flannery is the Founder and Principal Consultant of Foresight Security Consulting. His passion to keep people safe leads him to bring a holistic approach to security and safety, garnered over 22 years in the military, law enforcement, and as a consultant for state and federal government agencies, corporate clients, schools, and houses of worship.

Mr. Flannery's unique approach is gained from vast experience in Risk Mitigation, Personal Safety, Security Vulnerability Assessments, and in developing Threat Assessment & Management systems. Mr. Flannery has consulted on thousands, and case managed hundreds of threat assessments, leading the development of management strategies and safety planning for his clients. He has organized protective details and security strategies, for judges, celebrities, and local and national political leaders.

He is a dynamic speaker having presented to national audiences in Personal Safety and Security, Threat Assessment, and Targeted Violence detection and response.

Mr. Flannery is a fifteen-year member of the Association of Threat Assessment Professionals, and currently serves as President on the board of the NW Chapter. He is a recipient of both, the Oregon State Sheriff's Association and Marion County Sheriff's Office, Medal of Valor.
